MULTI-LOC[®] SMOOTHIE LEG BANDS

MADE IN THE USA

PRODUCT #2731

BLANK LEG BANDS

- One piece flexible plastic leg band 1 ½" x 13 ½".
- Made of non-rigid EVA plastic which stays flexible in temperatures well below zero.
- 8 colors: Blue, Green, Orange, Pink, Purple, Red, White & Yellow.
- Easy to install. Removable and reusable. *Patent #D799, 125 S*

PRODUCT #EW1899

NUMBERED LEG BANDS

- *Electro-Weld* Numbers.
- 8 Colors: Blue, Green, Orange, Pink, Purple, Red, White & Yellow.
- One, two and three digit numbers appear two places
- Four, five and six digit numbers appear once. (Max 6)
- Numbers available in white or black. Black is standard.
- Letters available to create custom words or letter/number combinations. Letters may reduce maximum number of digits.

PRODUCT #EW1899

PRODUCT #HS1899

WORDED LEG BANDS

- Choice of *Electro-Weld* or Hot Stamp.
- The *Electro-Weld* words are more durable, but both options will last for several years.
- Words available in white or black. Black is standard for all colors except Red.

WHAT MAKES US BETTER

- Injection-molded, one piece design
- Completely smooth back for comfort fit
- Easier to clean and sanitize with no seams to collect muck

FLAG-LOC™

FABRIC LEG BANDS

PACKAGED IN THE USA

PRODUCT #FL7321

BLANK FABRIC LEG BANDS

- Product Size 1 ½" x 12".

NECK TAG ACCESSORIES

MADE IN THE USA

WELDED STEEL CHAIN

PRODUCT #3354

1/0 twisted link welded steel chain with plated finish. Sold in 40" lengths, for use with neck tags.

E-Z RING FASTENER

PRODUCT #1375

Made of steel with plated finish. Features open edge to make it easier to assemble. Inside diameter 1 3/16" and outside diameter 1 3/4".

TIGHT WOUND RING

PRODUCT #1350

Made of steel with plated finish. Same size as the E-Z ring fastener, without an open edge.

NECK ROPE

PRODUCT # 4203

Woven nylon w/ polypropylene core. Flexible but will not go limp. Sold in 44" lengths. 5 Colors: Black, Blue, Green, Red & White.

V-STYLE ROPE FASTENER

PRODUCT # 478

Use V Fastener with rope and any of our neck tags. Rope is easy to attach to the V Fastener to secure neck tags in place.

NOTE: Chain, rope and accessories are made for identification, not animal restraint.

UNDERSTANDING BOCK'S ELECTRO-WELD PROCESS

Many of Bock's products feature an *Electro-Weld* option. Selecting Electro-Weld products means your ID bands and tags have been branded with the most permanent lettering and numbering on the market today.

BOCK'S
Identi Company

Better engineered products for livestock identification. Our raw materials cost more, but we will not accept any shortcuts in providing American made quality products that are the perfect combination of toughness and flexibility. Nothing last longer than our Electro-Weld numbers, which are permanently fused and last the lifetime of the tag. You cannot find a longer lasting identification than Bock's.
